

SREE CHAITANYA COLLEGE OF ENGINEERING

CAREER DEVELOPMENT CENTRE

Dear Final Yr Student,

You can access CDC Training content in both ways either offline(LAN) or Online(through internet).

But in CDC lab you have use the **off line link** (LAN) for preparation by using the offline login (h.t.no) & password (123456).

offline link: <http://gems/globarena/>

For **online link** user name(H.T.No) and password(collect from CDC). You can access this online link even at home if you have internet facility.

online link: <http://gems.globarena.net/jntuh>

INSTRUCTIONS:

- 1. Your department coordinator will give you one topic from aptitude for every lab session.**
- 2. Come with new observation book and prepare the notes on given topic.**
- 3. For every topic 4 practice tests are available which you need to complete.**
- 4. You need to take the sign from coordinator in observation before leaving the lab.**
- 5. All your observations will be signed or checked by Principal/HOD/CDC In-charge at any cost.**
- 6. Based on the performance in CDC Training priority will be given for placements.**
- 7. CDC Attendance will be consider as regular attendance & will be uploaded in college website.**

ALL THE BEST . . .
